Dear Burleigh;

As it may now - we suppose - be deemed morally & physically impossible for you to have the current year's Report ready for publication at the coming Annual Meeting, we are seriously considering whether we will, or not, publish the Report for 58-59 in a separate pamphlet, & have it ready for the Annual Meeting. I wish you to know this fact, & give us, as soon as possible, your judgment. - When can you, in all human probability, finish the Current Year? Your answer, given seriously & deliberately, will help us very much ⁱⁿ ~~to~~ deciding the question of immediate publication. Let me have it as soon as you can; with any suggestions you may see fit to make. - Did you treat the 'Church' question in the Report for 58-9? I ask, as, in the part I have read, I have not come upon any such discussion. If omitted, you w^d. really have 2 years' ground yet to go over, so far as relates to that question.

F. Jackson desires me to ~~hand~~ send you your Note to him - enclosed herewith. He has paid you \$51. (\$50.99 was your figure)

For the Report of 58-9, and has received and
credited that amt. on your Note. Please
sign & send to him (thru' me, if more convenient)
the enclosed bill.

Truly Yrs. S. May Jr.

We decided to keep the Marrington
addres - to omit the Belgian, partly for its
length, but mainly because of its rather feeble
character.
